〔前編〕

Um...
Student Council
Ah... ah! Thank you!

I'll take it, then.

Ah... Right.
So, if you could...
Uhh-
Err... It's really nothing special.
Huh?
Uh... I really can't.
Excuuuse me.
Student Council
Kyaa aah!

As popular as ever, I see.
Hiro.
pout
There's so many.
How do they even know it's my birthday anyway?
Well, the internet does exist. The prince has many fans, so info gets around fast.
Whoa, the internet is scary!
Hiro...
WHAT !?
Hiro. You look so handsome, but you're a total coward on the inside, hmm?
You don't need to be teasing me too, Miss Student Council President.
You're too kind.
That's why you can't turn them down.
Ah ha ha
Don't you drag me into that.
They call you "Princess" too, you know.
Mister Prince.

I'm not kind at all.

So, uh...
You angry or something, Sayaka?

Who knows?
click click
Anyway
Hmm...
A mountain of presents

Never mind them.
The one I'm dating...
is you,
S-Sayaka.
Hiro...
.....

I wish you
a happy birthday.
Mmm
Sayaka ...
They call me a "prim and proper student council president", like one you might find in a story book.

But that's not who I really am.

Let's head home.

Sure.

I once broke that bond we shared.

However,

We've been together since grade school.

Hiro and I are childhood friends.

Two Years Ago

I'm sorry.

I don't really get any of that.
Ever since that happened, I vowed to not do anything out of the ordinary. I'd live a proper life.
But...
At least hear me out!
Let me go!
Stupid Sayaka!
Graduation Ceremony

I'm trying to tell you that I'm in love with you!
Hiro...
I'm sure I made you feel so lonely all this time.
I'm sorry.
Despite this,
I'm pretty sure her feelings for me aren't those of love.
I think what she feels towards her old friend

I've caused you pain, too.
I put you through a lot of trouble.
Ever since I fell in love with you,
I still do, even now.
I'm sorry.

For having you do-
Sorry, Hiro...
Oww!
You idiot.
Stupid Sayaka!
I wouldn't do this to someone I didn't love just because I'm a kind person.
Do you know who I got my favorite present from today?
Hiro-
But why are you so thickheaded when it comes to this? Why are you apologizing to me?
You're so smart, Sayaka.
Hiro?

She's bright and beautiful, but a total idiot.
She's clever, but also oddly forgetful at times.
She only tackles the most annoying tasks. Even today, she took care of the student council's busy work all by herself.
She's the student council president who masquerades as an honor student.
Ootsuki Sayaka.
